CIVIL ACTION - COMPLAINT

1.) Shawnee Tabernacle Church is a congregation that currently worships at and formerly owned the building located at 1110 Carriage Lane, Tobyhanna, PA 18466-8278. Shawnee Tabernacle Church was insured by a policy issued by Defendant GuideOne Insurance.

2.) AZ Learning Day Care is associated with Shawnee Tabernacle Church and at all times relevant provided day care at 1110 Carriage Lane, Tobyhanna, PA 18466-8278. AZ Learning Day Care is also an insured under the policy.

3.) Defendant, GuideOne Insurance, is upon information and belief a corporation duly organized and existing under and by virtue of the laws of the State of Iowa with its main office being 1111 Ashworth Road, West Des Moines, Iowa 50265 which does business in the Commonwealth of Pennsylvania and advertises itself as specializing in insurance for churches and congregations. At all times relevant, Defendant regularly conducted insurance business within Pennsylvania. GuideOne advertises that "Our Goal is to provide you with peace of mind while you follow your purpose."

-2-

3.A.) This Court has jurisdiction of this matter by virtue of the Diverse Citizenship of the parties and that the amount in controversy exceeds \$75,000.00 pursuant to 28 U.S.C. SS1332.

4.) At all times relevant, Defendant acted or failed to act through its authorized agents, servants and/or employees acting on its business and within the scope and course of their authority.

5.) At all times relevant hereto, Plaintiffs maintained a policy of insurance, Policy No. 1294-392 (a true and correct copy of the policy is attached as Exhibit "A"), which provided insurance for the church's building and property. The policy is dated 11/11/2014 and the premium for the policy was \$19,691.00 and the insurance policy covered the building for damage in the amount of \$5,191,000.00 and personal property loss in the amount of \$934,300.00.

6.) This policy was similar to and a continuation of the previous policies that Shawnee had over the years with GuideOne and which Shawnee unfailingly paid their policy requirements.

7.) The policy contained several provisions which are pertinent to this matter;
The obligations of the insurance company include the obligation "Pay the value of lost or damaged property.

A.) We will determine the value of lost or damaged property...

B.) We will pay for covered loss or damage within 30 days after we receive proof of loss (Page 21 of 30).

-3-

8.) The policy also contains a portion entitled "Pennsylvania changes" that read in pertinent part "Notice of Acceptance or Denial of Claim" "Except as provided in 3 below, we will give you notice, within 15 working days after we receive a properly executed

Proof of Loss that we:

- A.) Accept your claim.
- B.) Deny your claim; or
- C.) Need more time to determine whether claim should be accepted or denied.

If we deny your claim such notice will be in writing and we will state any policy provision, condition or exclusion used as a basis of denial.

If we need more time to determine whether your claim should be accepted or denied, the written notice will state the reason why more time is required.

- 2.) If we have not completed our investigation, we will notify you again in writing, within 30 days after the initial notice as provided in i.e., above and thereafter every 45 days. The written notice will state why more time is needed to investigate your claim and when you may expect us to reach a decision on your claim.
- 3.) The notice procedures in 1 and 2 above do not apply if we have a reasonable basis, supported by specific information, to suspect that an insured has fraudulently caused or contributed to the loss by arson or other illegal activity: under such circumstances, we will notify you of the disposition of your claim within a period of time reasonable to allow full investigation of your claim, after we receive a properly executed Proof of Loss."

9.) On January 13, 2015, Shawnee Tabernacle Church and AZ Day Care Center suffered a massive water leak that caused a great amount of damage to the property. The Officials of Shawnee Tabernacle Church, within 24 hours of the massive damage, contacted the agent of GuideOne Insurance to report the damage as per the provisions of the policy.

-4-

10.) On or about January 15, 2015, GuideOne by its agents, Brian Baskin, Engineer Bob Malinga and other contractors appeared at Shawnee Tabernacle Church to investigate the damage and the cause of the damage. During that time, Mr. Baskin told the Church officials that since the contractors had estimated the damages to be so high, he was reserving the right of the insurance company to not make any payments until they further investigated the cause of the incident. Mr. Baskin also stated to the Church officials at a second meeting that an attorney for the insurance company had been notified, and an engineer would be sent to determine the cause. Baskin apparently left the premises and Engineer, Bob Malinga showed up and after investigation stated to Church officials that the damage was caused by a defective installation of the pipe (and therefore the Church would be covered.)

11.) On January 15, 2015, GuideOne Insurance sent a Reservation of Rights letter to Shawnee Tabernacle Church and AZ Day Care Center.

12.) John Femia an Agent hired by GuideOne Insurance, after his investigation told Church officials that Baskin and the contractors estimated damage at \$1.8 Million Dollars.

13.) Later Mr. Baskin again appeared, (apparently not knowing what Engineer Bob Malinga told Church officials.) Baskin then changed his approach as to why he was not going to order the repair work and he then told the Church officials that GuideOne was now not going to pay upon further investigation because now GuideOne's excuse was the building was vacant and that the insurance company does not cover damage when there is a vacancy. Baskin told the Church officials that he would hold off paying any contractor bills that would be needed to clean up the mess and restore the building and that he had the right to put off payment for 60 to 90 days pending investigation.

-5-

14.) On February 2, 2015, John Femia, an Investigator whose company GUS Investigators was hired by Brian Baskin of GuideOne Insurance spoke with Reverend Dennis Bloom of Shawnee Tabernacle Church . Mr. Femia confirmed to Reverend Bloom that GuideOne had informed him that the damage totaled \$1.8 Million. At this point GuideOne knew the “Value of lost or damaged property” under the policy.

15.) On March 4, 2015 Shawnee Tabernacle Church’s Attorney, Marshall Anders sent a letter to Brian Baskin of GuideOne Insurance that indicated that although the representatives of GuideOne established the loss with the value between \$1.8 Million and \$2 Million, the Church would be able to fix the damage for the amount of \$400,000 and therefore indicated that his client would accept \$400,000 in full and final satisfaction of claim. (See Exhibit “B” - Marshall Anders, Esquire’s letter of March 4, 2015.)

16.) From the meeting of January 15, 2015 until March 3, 2015, GuideOne Insurance did nothing. On March 3, 2015, Brian Baskin sent a letter to Shawnee’s Attorney, Marshall Anders, which was received on March 10, 2015. Mr. Baskin’s letter contained requests related to the use of the gym and school which seemed to be designed to give GuideOne an excuse to avoid payment.

17.) On March 13, 2015, Marshall Anders, Esquire sent a 3 page letter to Brian Baskin of GuideOne. The letter painstakingly answered all the questions of the GuideOne letter of March 3, 2015 and warned GuideOne that the actions they were taking had the intent of establishing there would be no insurance coverage and that GuideOne’s actions would lead to litigation including a claim for Bad Faith. Mr. Anders commented: “You(r) job as an adjuster is to adjust the loss of the Church, not to attempt to find ways for GuideOne to avoid paying a

-6-

legitimate claim; (See Exhibit "C", letter of March 13, 2015 of Marshall Anders, Esquire to Brian Baskin.)

18.) GuideOne by Brian Baskin did not reply to Mr. Anders' letter until their April 14, 2015 letter which was not received by Mr. Anders' office until April 20, 2015. Mr. Anders had requested the report of GuideOne's Engineer, Bob Malinga. Tellingly, instead of simply living up to the provisions of the contract and providing the Engineer's Report, Mr. Baskin replied "You have requested the report from Mr. Malinga regarding his findings concerning the water damage. Our Subrogation Department requested Mr. Malinga to maintain his information, however, to hold his report until the concerns of the policy provisions can be investigated. We have received a verbal communication that the installation company was Apex."

The Baskin letter concludes "Thank you again for your correspondence and at the conclusion of our review we will let you know our finding." (It is important to point out that the findings of Engineer, Bob Malinga were already in GuideOne's possession but they refused to share this information and they also refused to share the information of the estimate of damage of \$1.8 Million.) Exhibit "D" - Brian Baskin's letter of April 14, 2015.

19.) On May 28, 2015, Attorney Dave Delaney, in-house counsel for GuideOne Insurance sent Notice of Deposition to several officials of Shawnee Tabernacle Church and A-Z Learning Day Care; those officials included: Reverend Dennis Bloom, Luddie Chatt, Georgette Simmons, Charity Cortes and Tanya Crutchfield. Those letters (which are contained in Exhibit "E") are almost identical in content except for addresses. The Depositions were scheduled for June 12, 2015 at Marshall Anders, Esquire's office. The letter requests 13 separate items from each Deponent. Each letter contains the phrase, "Naturally, nothing in this letter is

-7-

intended as a waiver of GuideOne Insurance's right to insist upon Strict Compliance with all contractual terms and conditions, including all applicable limitations, or as a waiver of any right or defense under the contract or applicable law.".... "This demand constitutes neither an admission nor a denial of liability under the policy, but it is an exercise without prejudice, of the rights of the company provided in said policy and is not a waiver of any defenses or rights the company may have now or in the future, specifically including though not limited to, the taking of additional examinations under oath.

20.) These depositions were an attempt by GuideOne Insurance to deny coverage to their insured on the pretense that the property was vacant under the language of the policy. GuideOne Insurance already knew by the responses of Marshall Anders, Esquire in his letter of March 13, 2015 that the property was not vacant and was being used for, among other things day care operations at a minimum of 3 days per week. The gym, although quite damaged was also used by members of the Church and sons and daughters of members of the Church, specific other rooms of the Church that were being used included the offices, auditorium, bathrooms, closets, lunch room, teacher's lounge, President's office, Deacon's office, Leader's Room, a green room, a prayer room, nursery, teenage classrooms, Bible study room, and reception area (See Exhibit "C", Marshall Anders, Esquire's letter of March 13, 2015.)

21.) Although it was becoming obvious to Shawnee's attorney and the other officials that GuideOne was using depositions as a ruse to continue to deny and delay payment, the Church officials decided to participate in the Depositions of June 12, 2015. The Depositions

-8-

confirmed that the property was not vacant and a great deal of activity was occurring in the building prior to January 13, 2015 including renovations at the end of the Charter School lease.

22.) Despite the fact that the Depositions, all taken on June 12, 2015 confirmed that property was not vacant and therefore, GuideOne had an obligation to pay immediately under the contract, GuideOne then proceeded to do absolutely nothing for several months. They violated the provisions of their contract with Plaintiff that required that they give written notice every 45 days.

23.) Defendant, GuideOne Insurance also knew that Plaintiffs were in a very difficult financial position. In the months before January 13, 2015, the Church's contract with Charter School, Pocono Mountain Charter School ended and without the rental provided by the monthly income from the Charter School, Plaintiff began falling behind on their mortgage payments. The bank's financing the mortgage PSB Credit Services were approached in order to refinance the mortgage. Plaintiff felt confident they could either rent the premises, or refinance their loan with the bank or other lending institution or sell the property if the other options did not work out. But in order to rent or sell or refinance the damage had to be fixed.

24.) After the incident of January 13, 2015, and the ensuing damage, it became obvious that Plaintiff could not rent or refinance or sell until the extensive damage was repaired. It also became obvious as the months passed without any action by GuideOne Insurance, that Plaintiff would probably lose the property at Sheriff's Sale.

-9-

25.) Despite the desperate straits the Plaintiffs faced, Defendant, GuideOne Insurance did nothing from the time of the depositions of June 12, 2015 until, finally, an e-mail of October 28, 2015 from Larry Brown of GuideOne Insurance telling Plaintiff that he was replacing Brian Baskin on the file. Previous to October 28, 2015, Plaintiff's Attorney, Marshall Anders had sent letters to Dale Delaney, Attorney for GuideOne which enclosed various documents. (Exhibit "F" - Larry Brown's e-mail of October 28, 2015.)

26.) Larry Brown's e-mail of October 28, 2015 a full 5 months after last contact from GuideOne indicated "When you have the time please contact me to discuss the merits of this loss and possible conclusion."

At the time of Mr. Brown's letter GuideOne was in direct violation of the policy which required GuideOne to do the following: Accept the claim and pay the value of lost or damaged property or provide a letter every 45 days under Pennsylvania Insurance Law and the contract explaining when they would reach a decision.

27.) On November 13, 2015, Attorney, Marshall Anders responded to Larry Brown of GuideOne to inform him, that once again he would forward copies of information requested and that a Sheriff's Sale had been scheduled for some time in February 2016. (Exhibit "G" - Marshall Anders' letter of November 13, 2015.)

28.) On November 30, 2015, Marshall Anders, Esquire sent another letter to Larry Brown requesting that GuideOne provide him with a copy of the estimate done for repair of the damage to the Church which totaled \$1.8 Million. As per their earlier stance regarding refusal to give Engineering Report by Bob Malinga, GuideOne refused to provide estimate report of

-10-

damage. Those actions of Bad Faith refusal to provide reports already done become obvious in the ensuing negotiations with GuideOne. Because if, as of October 28, 2015, GuideOne by Baskin's replacement, Larry Brown were giving up on the pretense that they did not have to pay because of some suspicion or because the property was allegedly vacant, then obviously, if they already had an estimate of \$1.8 Million in damages from their engineers and contractors, GuideOne should simply pay it. However, it again became apparent that with GuideOne nothing was simple and payment was never going to be without Bad Faith obstacles. (Exhibit "H" - Marshall Anders' letter of November 30, 2015.)

29.) On December 10, 2015, this law firm began representation of Shawnee Tabernacle Church and A-Z Day Care Center regarding GuideOne Insurance Company by forwarding a letter of representation. In this letter, this office indicated that GuideOne had let this issue languish for 11 months and produced a situation in which Shawnee Tabernacle Church had suffered serious direct and consequential damage. This office also requested that GuideOne forward their experts evaluation of the damage which we believed could be in excess of \$2 Million. (See Exhibit "I" - William P. Fedullo, Esquire's letter of December 10, 2015.)

30.) On December 19, 2015, Larry Brown of GuideOne Insurance called this law office; he indicated that he wanted to respond within 10 day period as per this firm's letter. He admitted the matter had not been handled properly and he admitted that there was no longer a coverage issue. He claimed to have no report regarding \$1.8 Million estimate. He requested items. He indicated he wanted to come to the Church to estimate damages with his expert (despite the fact that GuideOne had previously had experts evaluate damages.) A visit was scheduled for January 5, 2016.

-11-

31.) Although Plaintiff consented to provide estimates of damages that had been previously provided and additionally had been assessed by GuideOne's experts, Plaintiffs agreed to the visit and again provided documentation. The hope, that since Mr. Brown admitted there was no longer a coverage issue, that perhaps GuideOne would finally act in Good Faith. It is important to remember that the first GuideOne review of premises was January 15, 2015 and the second was January 5, 2016, almost a fully year had passed to once again assess damage originally assessed at \$1.8 Million Dollars.

32.) On January 4, 2016 this office forwarded to Larry Brown of GuideOne a list of damages both direct and consequential which included the lease between Shawnee Tabernacle Church and former tenant Pocono Mountain Charter School that indicated a past lease of \$88,280.44 per month, which yielded approximately \$1,059,360.00 for the year. The lease had concluded in September 2014 and the Church was attempting to find replacement tenant until the water damage of January 13, 2015 and the consequential damage and the failure of GuideOne to acknowledge their responsibility of coverage (See Exhibit "J" - William P. Fedullo, Esquire's letter of January 4, 2016.)

33.) On January 5, 2016, GuideOne by Larry Brown and engineers and contractors once again inspected the Church property and the damage caused by the water leak.

34.) On January 8, 2016, Larry Brown forwarded an e-mail letter to this office that acknowledged the meeting and wrote, "It is my anticipated hope that we can achieve a desired result in a very short period of time." Unfortunately, time was of the essence because the foreclosure of the property was scheduled for February 25, 2016 and without, financial relief

-12-

for the damage, and/or ability to rent or sell the Church had only dire prospects to save their beloved building. (Exhibit "K" - Larry Brown's e-mail of January 8, 2016.)

35.) On January 15, 2016, this office responded to every question posed by Larry Brown's e-mail of January 8, 2016 (See Exhibit "L" - William P. Fedullo, Esquire's letter of January 15, 2016. Other letters and e-mails from this office in January, 2016 including 1/4/2016, 1/6/2016, 1/15/2016, 1/20/2016, 1/25/2016, 1/25/2016, 1/25/2016 in an effort to get resolution prior to the Sheriff's Sale.)

36.) On February 1, 2016, this office had a conversation with Larry Brown who indicated he would forward a settlement check for, at the time, the indisputable portion of damages of \$910,000.00. He indicated that he could get \$1.4 Million for a global settlement. This office indicated that the Church needed to deal with the bank over the foreclosure issue and at least \$1.8 Million would be needed for a global settlement: Larry Brown agreed to try to get \$1.8 Million if that would settle everything. This, apparently was in partial response to this office's letter of January 20, 2016 in which the looming deadline of auction was referenced and, the previous assessment.

37.) As of February 25, 2016 and prior, this office was also in the process of dealing with the claims of Prins Bank since the claims of damage was now on property that related to the mortgage holder because of the foreclosure. Larry Brown and GuideOne understood that they were making an effort not only to pay for the damages to the building but also to compensate Shawnee Tabernacle Church because of the prior Bad Faith effort to deny liability. Eventually, Prins Bank and Shawnee Tabernacle Church were able to come to an

-13-

agreement with regard to the damages only aspect of the claim. Prins Bank recognized and would allow Shawnee to pursue the Bad Faith claim and consequential damages claim, separate from the claim for damages.

38.) On April 6, 2016, Larry Brown spoke with this office. As a result of that conversation this office forwarded a letter to Larry Brown in which the entire claim involving both damages and Bad Faith would be settled for \$1,750,000.00. (Exhibit "M" - William P. Fedullo, Esquire's letter of April 6, 2016.) The letter also referenced Larry Brown's previous indication that he was at \$1,675,000.00.

39.) On April 6, 2016, Larry Brown sent a letter to this office stating "Respectively there is no broad implications on my part in any of those prior conversations" which this office interpreted to mean he was owning up to his prior offers of settlement. This letter also contains a request for "supporting documentation" that GuideOne had been previously sent several times including GuideOne's own documentation of damages which they always refused to share (See Exhibit "N" - Larry Brown's e-mail of 4/6/2016.)

40.) As a result of Larry Brown's e-mail, this office replied by e-mail of 4/7/2016. This e-mail points out the many inconsistencies and Bad Faith actions of GuideOne Insurance in response to Larry Brown's statement on Wednesday, April 6, 2016 that he was "under pressure to conclude this matter, this office stated "It is unfortunate that your company did not feel this sense of urgency at the outset but instead failed to act in Good Faith resulting in further damages and consequential damages to my client. This office also addressed the April 6, 2016 conversation in

-14-

which Larry Brown now offered \$1.6 Million to settle all aspect of the claim which was \$75,000 less than the previous offer. Furthermore, the letter of April 7, 2016 points out that Larry Brown already has the documentation he requested. (See Exhibit "O"- William P. Fedullo, Esquire's e-mail letter of April 7, 2016.)

41.) On April 13, 2016, Larry Brown once again sent e-mail to this office once agin stating "There are no broad implications on my part in any of those prior conversations and there have been no formal offers to conclude this matter." (Exhibit "P" - Larry Brown's e-mail of April 13, 2016.)

42.) On May 23, 2016, Larry Brown had a conversation with this office. On May 26, 2016, this office forwarded to Mr. Brown a letter regarding all letters and all documentation previously sent to Mr. Brown and GuideOne this letter details, as previous letters and conversations had done, all the direct and consequential damages suffered by Shawnee due to the inaction of GuideOne. The damages included the following:

- A.) Minimum of \$718,000 in damages.
- B.) Failure to pay in a reasonably quick amount of time in January 2015, the arrearages were only in the \$100,000 range but by the time of the auction of February 25, 2016, the arrearages had grown to \$349,947.12, because of the inability of Shawnee to rent or sell or renegotiate because of the damages.
- C.) Shawnee lost entirely the \$2.8 Million paid in mortgage from 2007 to 2015 including \$1.2 Million in equity.
- D.) Lost opportunity to rent the property because of damage previously tenant had paid in excess of \$1 Million per year.
- E.) Lost opportunity to sell the property, although the property had obviously lost value because of severe water damage, the bank's broker indicated a list value of \$3.2 Million.

-15-

- F.) Other damages as indicated in the letter (See Exhibit "Q" - William P. Fedullo's letter of May 26, 2016.)

43.) On May 26, 2016, Larry Brown sent e-mail to William P. Fedullo, Esquire indicating he was out of office until May 31, 2016. On June 3, 2016, this office spoke with Larry Brown of GuideOne Insurance and told him that he had a fiduciary duty to bargain in good faith. This office told him he had offered, for a global settlement \$1,675,000 and implied he could get to \$1.7 Million. Larry Brown denied this claim and he stated that Defendant's could force a Bad Faith claim into federal mediation. He seemed to offer \$300,000 in addition to the damage amount which was rejected.

44.) Prins Bank (PSB Credit Services) and Shawnee, after the auction of 2/25/2016, spent considerable time trying to come to an agreement regarding several issues including;

- A.) How much of the damage amount was Prins Bank (PSB Credit Services, Inc.), entitled to in light of the auction of February 25, 2016 which transferred ownership?
- B.) How was Shawnee going to pay back the Deficiency Judgment as of the auction of February 25, 2016?
- C.) In the event that the parties could not achieve a "Global Settlement" with GuideOne Insurance, Prins Bank (PSB Credit Services, Inc.) would not make a claim regarding Shawnee's Bad Faith Claim against GuideOne Insurance.
- D.) The parties were attempting to come to an agreement regarding allocation; eventually, the parties agreed that Shawnee would have the entire Bad Faith Claim against GuideOne if a "Global" Settlement was not achieved. The parties also agreed that Prins Bank (PSB Credit Services, Inc.) was satisfied with a total of \$741,860 in property damage, in which PSB would receive \$605,948.45 and Shawnee Tabernacle Church would receive \$135,911.55 and the Deficiency Judgment against Shawnee would be dismissed.

-16-

45.) On June 10, 2016, GuideOne Insurance by Larry Brown sent a letter indicating that a check in the amount of \$741,860 had been sent to “Prins Bank Credit Services, Inc.”. Mr. Brown’s letter also indicated he was not in agreement with proposed settlement as expressed in May 31, 2016 telephone conversation and May 26, 2016 letter. (Exhibit “R” - Larry Brown’s letter of June 10, 2016.)

46.) On June 15, 2016, this office sent a letter to GuideOne Insurance regarding property damages only that allocation should be made in separate checks to reflect the agreement with PSB Credit Services, Inc. and Shawnee. (Exhibit “S” - William P. Fedullo, Esquire’s letter of June 15, 2016.)

47.) On July 27, 2016, Larry Brown sent this office a letter acknowledging the distribution of funds for property damage but trying to disclaim most of the losses suffered by the Church and asked if this office had communicated his offer to conclude Shawnee’s claim with GuideOne. Mr. Brown’s letter seemed oblivious to the fact that it took GuideOne approximately 1 ½ years to pay damages on a claim that should have been concluded at least one year earlier. This office on August 2, 2016 sent a letter to Larry Brown stating in part;

“You pretend that the dilatory actions of GuideOne had no impact on the Church’s loss of equity, loss of rent or sale, inability to stave off foreclosure, loss of building, interest and attorney’s fees. Both your predecessor, Mr. Baskin and yourself have refused to provide requested reports. Your company has failed to abide by the contract with Shawnee and I believe you will only take seriously your fiduciary obligations when faced with a trial in Federal Court... If you have a serious and real offer to make please do so in writing.”

-17-

Larry Brown had orally offered \$300,000 in addition to the total damage payment of \$741,860. This total offer of \$1,041,860 (\$300,000 for Bad Faith claim) was approximately \$635,000 less than previous offer he had made as per paragraph 38 above. (Exhibit "T" - Larry Brown's letter of July 27, 2016 - Exhibit "U" - William P. Fedullo, Esquire's letter of August 2, 2016.)

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2007, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Under your existing coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced in accordance with procedures established by the Secretary of Treasury.

The portion of your annual premium that is attributable to coverage for acts of terrorism is
\$247.00.

You may reject the offer by checking the appropriate box and signing the statement below and returning it to us, and your policy will be endorsed to exclude the described coverage.

- ☐ I accept the offer for terrorism coverage as explained in this Notice.
- ☐ I reject the offer of terrorism for certified acts of terrorism as explained in this Notice. I understand that I am also rejecting certified terrorism coverage for any applicable Umbrella and/or Business Auto policy(s).

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
EQUIPMENT BREAKDOWN COVERAGE PART
FARM COVERAGE PART
STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

(4) All other personal property owned by you and used in your business;

- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property of Others.

Our payment for loss of or damage to this leased property will not exceed the lesser of:

- (a) The value stated in the lease agreement; or
 - (b) The replacement cost value;
- (8) Personal Property of Others that is:
 - (a) Located in or on the building described in the Declarations or in the open (or in a vehicle) within 1,000 feet of the described premises; and
 - (b) Business personal property belonging to your "ministers", managerial employees, officers or directors; or personal property of others used by you for business purposes.

However, our payment for loss of or damage to Personal Property of Others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities, except as provided in Section C -- Limitations of the Causes of Loss -- Special Form. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, patios or other paved surfaces, except walks;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water or growing crops; or lawns, except as provided in the Coverage Extensions;
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not at the premises described in the Declarations;
- m. Underground pipes, flues or drains;
- n. Electronic Data, except as provided under Additional Coverages,

Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This Paragraph n., does not apply to your "stock" of prepackaged software;

- o. The cost to research, replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:

- (1) Are licensed for use on public roads; or
- (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;

(c) Rowboats or canoes out of water at the described premises; or

(d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers;

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops;
- (2) Radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, except as provided in the Coverage Extensions;
- (3) Signs (other than signs, radio and television antennas and satellite dishes attached to buildings or within 1,000 feet of the described premises), except as provided in the Coverage Extensions; and
- (4) Trees, shrubs or plants (other than "stock" of trees, shrubs or plants), except as provided in the Coverage Extensions.

r. "Fine arts", except as provided in the Additional Coverages.

3. Covered Causes Of Loss

See applicable Causes of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

(1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.

(2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

(4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance

on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples:

The following examples assume that there is no Coinsurance penalty.

Example # 1

Limit of Insurance: \$ 90,000
 Amount of Deductible: \$ 500
 Amount of Loss: \$ 50,000
 Amount of Loss Payable: \$ 49,500
 (\$50,000 - \$500)

Debris Removal Expense: \$ 10,000

Debris Removal Expense Payable: \$ 10,000
 (\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example # 2

Limit of Insurance: \$ 90,000
 Amount of Deductible: \$ 500
 Amount of Loss: \$ 80,000
 Amount of Loss Payable: \$ 79,500
 (\$80,000 - \$500)

Debris Removal Expense: \$ 40,000

Debris Removal Expense Payable:

Basic Amount: \$ 10,500

Additional Amount: \$ 25,000

The basic amount payable for debris removal expense under the

terms of Paragraph (3) is calculated as follows: $\$80,000 (\$79,500 + \$500) \times .25 = \$20,000$; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). The total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

The Additional Condition, Coinsurance, shall not apply to this Additional Coverage.

b. Preservation of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 60 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay the actual cost of your liability for fire department service charges:

(1) Assumed by contract or agreement prior to loss; or

(2) Required by local ordinance.

No deductible applies to this Additional Coverage.

d. Pollutant Clean Up and Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$25,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Ordinance or Law

This Additional Coverage applies only to buildings to which the Replacement Cost coverage applies.

If a Covered Cause of Loss occurs to covered Building property, and causes the enforcement of any ordinance or law that (a) is in force at the time the cause of loss occurs, and (b) regulates the demolition, repair or reconstruction of that building, or establishes zoning or land use requirements at the described premises, we will pay:

- (1) Up to \$350,000 for the actual loss in the replacement cost value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building.

This Additional Coverage does not increase the limit applicable to the covered buildings shown in the Declarations. This is not an additional amount of insurance.

- (2) Up to \$350,000 for the amount you actually spend to demolish and clear the site of the undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

This is an additional amount of insurance.

- (3) Up to \$250,000 for the amount you actually spend for the increased cost to repair, reconstruct, or remodel that building. Increased cost is the cost excess of that cost to:

- (a) Repair or reconstruct the damaged or destroyed property; or
- (b) To reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

to meet the minimum requirements of such ordinance or law, on the basis of its like kind and quality, at the time the Covered Cause of Loss occurs. If the property is repaired or reconstructed, it must be intended for a similar occupancy as the current property, unless otherwise required by zoning or land use law.

When a building is damaged or destroyed and we pay for an amount you actually spend for the increased cost to repair,

reconstruct, or remodel that building, we will also pay for:

- (a) The cost of excavations, grading, backfilling and filling;
- (b) The foundation of the building;
- (c) Pilings; and
- (d) Underground pipes, flues and drains.

The items listed in Paragraphs (3)(a) through (3)(d), immediately above, are deleted from Property Not Covered, but only with respect to the coverage described in this Additional Coverage for increased cost to repair, reconstruct or remodel the building.

This is an additional amount of insurance.

We will not pay for increased construction costs under this Coverage Part:

- (a) Until the property is actually repaired or replaced, at the same premises or elsewhere; and
- (b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

We will not pay more:

- (1) If the property is repaired or replaced on the same premises, than the amount you actually spend to:

- (a) Demolish and clear the site; and
- (b) Repair, rebuild or reconstruct the property but not for more than property of the same height, floor

area and style on the same premises.

(2) If the property is not repaired or replaced on the same premises, than:

(a) The amount you actually spend to demolish and clear the site of the described premises; and

(b) The cost to replace, on the same premises, the damaged or destroyed property with other property:

(i) Of comparable material quality;

(ii) Of the same height, floor area and style; and

(iii) Used for the same purpose.

The terms of this Additional Coverage shall apply separately to each covered building to which this Additional Coverage applies.

The terms of this Additional Coverage shall not apply to:

- (1) Any property or building that is not Covered Property;
- (2) Any covered building that has not been damaged by a Covered Cause of Loss;
- (3) Loss due to any ordinance or law that you were required to comply with, and that you failed to comply with before the loss occurred;
- (4) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (5) Any costs associated with the enforcement of an ordinance or

law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

The Ordinance or Law exclusion does not apply to this Additional Coverage.

f. Indirect Loss -- Blanket Insurance

The most we will pay under this Additional Coverage is \$100,000 for any combination of these coverages:

(1) "Business Income"

We will pay for the actual loss of "Business Income" you sustain due to the necessary "suspension" of your "operations" during the "period of restoration", caused by property damage from a Covered Cause of Loss to property at the locations described in the Declarations.

The amount of "Business Income" loss will be determined based on:

- (a) The "Net Income" of the business before the direct physical loss or damage occurred;
- (b) The likely "Net Income" of the business if no physical loss or damage had occurred;
- (c) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- (d) Other relevant sources of information, including:
 - (i) Your financial records and accounting procedures;

- (ii) Bills, invoices and other vouchers; and
- (iii) Deeds, liens or contracts.

Extended "Business Income": If the necessary "suspension" of your "operations" produces a "Business Income" loss payable under this policy, we will pay for the actual loss of "Business Income" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability or your "operations" are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore tenant occupancy or your "operations", with reasonable speed, to the level which would generate the "Business Income" including "Rental Value" amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (a) above.

(2) "Extra Expense"

We will pay for the expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay "Extra Expense" (other than the expense to repair or replace property) to:

- (a) Avoid or minimize the "suspension" of business and to continue operations at the described premises

or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

- (b) Minimize the "suspension" of business if you cannot continue "operations".
- (c) Repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable.

The amount of "Extra Expense" will be determined based on:

- (a) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (i) The salvage value that remains of any property bought for temporary use during the "period of restoration" once "operations" are resumed; and
 - (ii) Any "Extra Expense" that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (b) Necessary expenses that reduce the "Business Income" loss that otherwise would have been incurred.

Valuable papers and records and electronic data are not covered except as elsewhere provided in this policy.

(3) Tuition Fees

We will pay for actual loss of "Net Income" from "Tuition Fees" plus continuing normal operating expenses that would have been earned or incurred. We will pay only when there is a loss or damage to Covered Property by a Covered Cause of Loss.

This coverage is not limited by the expiration date of this policy, but ends on the earlier of:

- (a) The day before the opening of the next "school term" following the date when, with reasonable speed and similar quality, the property should be repaired, rebuilt or replaced; or
- (b) The date when the "school term" is resumed at a new permanent location.

(4) Emergency Evacuation

We will pay the reasonable expenses you incur in the evacuation of the premises described in the Declarations as a result of an unforeseen event which places the occupants in imminent danger of direct physical harm. This Additional Coverage applies only if there is actual or threatened loss or damage to Covered Property that results from a Covered Cause of Loss.

We will not pay for expenses under this Additional Coverage arising out of:

- (a) A strike or bomb threat, unless evacuation is ordered by a civil authority; or
- (b) A planned evacuation drill or false alarm.

(5) Civil Authority

We will pay for the actual loss of "Business Income" you sustain and necessary "Extra

Expense" caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss.

The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for "Extra Expense" will begin immediately after the time of that action and will end:

- (a) 3 consecutive weeks after the time of that action; or
- (b) When your Business Income coverage ends;

whichever is later.

(6) Alterations and New Buildings

We will pay for the actual loss of "Business Income" you sustain and necessary "Extra Expense" you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (a) New buildings or structures, whether complete or under construction;
- (b) Alterations or additions to existing buildings or structures; and
- (c) Machinery, equipment, supplies or building materials located on or within 1,000 feet of the described premises and:
 - (i) Used in the construction, alterations or additions; or
 - (ii) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

(7) Violent Incident

We will pay for the actual loss of "Business Income" you sustain due to the necessary "suspension" of your "operations", caused by a "violent incident" at a location described in the Declarations. But this coverage will apply only if no other coverage is provided within this coverage form or by the attachment of any endorsement to this policy, for such loss of "Business Income" from a "violent incident".

Determination of the "Business Income" loss under this Additional Coverage will be calculated only for the location where the "violent incident" occurred.

The amount of "Business Income" loss will be determined based on:

- (a) The "Net Income" of the business before the "violent incident" occurred;
- (b) The likely "Net Income" of the business if no "violent incident" had occurred;
- (c) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the "violent incident"; and
- (d) Other relevant sources of information, including:
 - (i) Your financial records and accounting procedures;

(ii) Bills, invoices and other vouchers; and

(iii) Deeds, liens or contracts.

This coverage begins 72 hours after the time of the "violent incident" at the described premises and ends on the earlier of:

- (a) 90 days after the date of the "violent incident"; or
- (b) The date you could restore your "operations", with reasonable speed, to the level which would generate the "Business Income" amount that would have existed if no "violent incident" had occurred.

This coverage is not cut short by the expiration date of this policy.

This Additional Coverage does not serve to create coverage for any loss of "Business Income" from a "violent incident" that is excluded under the terms of any terrorism exclusion, if such exclusion has been added to this Coverage Part or Policy by endorsement.

g. Damage to Buildings from Theft, Burglary or Robbery

When Building loss or damage (except by fire or explosion) directly resulting from theft, burglary or robbery (including attempted thereat), occurs, we will pay for that part of the building, occupied by you and containing Your Business Personal Property, and to equipment therein pertaining to the service of the building but not building property or equipment, removed from designated premises, provided you are the owner of such building or equipment or are liable for such building or equipment or are liable for such damage.

Section D., Deductible applies to this Additional Coverage.

h. Sewer, Drain or Sump Backup or Overflow

We will pay for direct physical loss of or damage to Covered Property caused by or resulting from water that backs up or overflows from a sewer, drain or sump.

The opening (of the sewer, drain or sump) from which the water backs up or overflows must be located in:

- (1) The insured building; or
- (2) If you are a tenant, the building you rent, lease or occupy.

Section D., Deductible applies to this Additional Coverage.

This Additional Coverage is subject to the Limitations in the Causes of Loss Form.

i. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data.

- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

- (a) If the Causes Of Loss -- Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.

- (b) If the Causes Of Loss -- Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.

- (c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$5,000 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the

policy year in which the occurrence began.

j. Leasehold Interest and Cancelled Lease Moving Expenses

We will pay for loss of the "lease differential costs" and "cancelled lease moving expenses" you sustain due to the cancellation of your lease. The cancellation must result from direct physical loss or damage to property at the premises described in the Declarations caused by or resulting from a Covered Cause of Loss.

We will pay under this Additional Coverage when the loss or damage exceeds \$500 and \$10,000 is the most we will pay for the sum of any combination of "lease differential costs" and "cancelled lease moving expenses" arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

This is an additional amount of insurance.

This Additional Coverage does not apply if you cancel your lease for reasons other than direct physical loss or damage to property at the premises described in the Declarations.

Our payments for loss end after 90 days of the date on which the Covered Cause of Loss occurs.

k. Fine Arts

We will pay for direct physical loss or damage to your "fine arts" caused by or resulting from a Covered Cause of Loss.

Loss or damage covered under this Additional Coverage is subject to the "actual cash value" provision **a.**, and **b.** of **E.**, Loss Conditions, **7.** Valuation.

The most we will pay for loss or damage under this Additional Coverage is \$25,000 in any one occurrence.

We will not pay for loss or damage to "fine arts" under this Additional

Coverage caused by or resulting from:

- (1) Breakage, marring, or scratching unless such loss or damage is caused by or resulting from a Covered Cause of Loss; or
- (2) Any repairing, restoration or retouching of the "fine arts".

Section **D.**, Deductible applies to this Additional Coverage.

l. Refrigerated Products Loss

We will pay for consequential loss to the contents of deep freeze or refrigeration units on the described premises resulting from power or utility failure to the described premises; damage to the generating or transmission equipment; or mechanical or electrical failure of the refrigeration system, provided the refrigeration system has been maintained in proper working condition.

We will pay under this Additional Coverage when the loss or damage exceeds \$500 and \$25,000 is the most we will pay in any one occurrence for the part of the loss or damage that exceeds \$500.

m. Fire Extinguisher and Automatic Fire Suppression System Recharge -- Blanket Insurance

The most we will pay under this Additional Coverage is \$10,000 for any one of the following coverages or a combination of these coverages:

(1) Fire Extinguisher Recharge

The necessary expenses incurred to recharge a portable fire extinguisher when it has been discharged to combat a fire at the described premises. No deductible applies to this coverage.

(2) Automatic Fire Suppression Recharge

The necessary expenses incurred to recharge any

automatic fire suppression system when the loss is caused by leakage or discharge.

This coverage applies only if the leakage or discharge is caused by a Covered Cause of Loss. No deductible applies to this coverage.

n. Earthquake Sprinkler Leakage

We will pay for direct physical loss or damage to Covered Property at the described premises caused by sprinkler leakage resulting from an earthquake. All earthquake shocks that occur within any 168-hour period will constitute a single earthquake. The expiration of this policy will not reduce the 168-hour period.

The most we will pay under this Additional Coverage is \$10,000 during each separate 12-month policy period.

The Additional Condition, Coinsurance, shall not apply to this Additional Coverage. Section D., Deductible applies to this Additional Coverage.

We will not pay under this Additional Coverage for loss or damage caused directly or indirectly by:

- (1) Tidal wave or tsunami, even if attributable to an earthquake;
- (2) Volcanic eruption, explosion or effusion of a volcano, even if attributable to an earthquake; or
- (3) Earthquake that begins before the inception of this insurance policy.

The Earth Movement Exclusion in the applicable Causes of Loss form does not apply to this Additional Coverage.

o. Utility Services -- Direct Damage

We will pay for loss or damage to Covered Property at the premises described in the Declarations caused by or resulting from an interruption in utility service to the

described premises. The interruption in utility service must result from direct physical loss or damage by a Covered Cause of Loss to a "Water Supply Service", "Communication Supply Service", or "Power Supply Service".

Coverage under this Additional Coverage for loss or damage to Covered Property does not apply to loss or damage to electronic data. The term electronic data has the meaning described under Property Not Covered, Electronic Data.

The most we will pay for loss or damage under this Additional Coverage, Utility Services Direct Damage is \$10,000 in any one occurrence.

p. Utility Services -- Time Element

We will pay for the actual loss of "Business Income" you sustain and necessary "Extra Expense" you incur due to a "suspension" of "operations" at the described premises caused by an interruption in utility service to that premises. The interruption in utility service must result from direct physical loss or damage by a Covered Cause of Loss to a "Water Supply Service", "Communication Supply Service", or "Power Supply Service".

Coverage under this Additional Coverage does not apply to "Business Income" or "Extra Expense" related to interruption in utility service which causes loss or damage to electronic data. The term electronic data has the meaning described under Property Not Covered, Electronic Data.

The most we will pay under this Additional Coverage, Utility Services -- Time Element is \$10,000 in any one occurrence.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 1,000 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

(2) Your Business Personal Property

 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations; or
 - (iii) Business personal property that you newly acquire, located at the described premises.
- (b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or

- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period of Coverage

With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 180 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

Subject to Section D., Deductible, the most we will pay for loss or damage under this Extension is \$2,000,000 at each building.

b. Personal Effects and Property of Others

- (1) You may extend the insurance that applies to Your Business Personal Property at the premises described in the Declarations to apply to personal effects and personal property of others.

The most we will pay for loss or damage to personal effects and personal property of others

- (2) Under this Extension, we will pay for loss or damage (except from theft or disappearance) to personal effects and personal property of others while it is away from the described premises and is being used for business purposes or during your sponsored activities when the loss or damage exceeds \$250, and \$2,500 is the most we will pay for loss or damage during each separate 12-month policy period.

Under this Paragraph (2):

- (a) The Coverage Territory condition does not apply; and
- (b) Coverage applies while the personal effects and personal property of others are anywhere in the world.

But we will not pay under Paragraph (2) for any of the types of property described in 2. Property Not Covered of section A. Coverage.

Loss or damage covered under this Extension is subject to replacement cost provisions a., b., c., d., e. and f. of Loss Condition, Valuation. The Optional Coverage, Actual Cash Value shall not apply to this Extension.

We will not pay for any loss or damage under this Extension to personal effects and personal property of others:

- (1) At any residence premises; or
- (2) While in transit or in the care, custody, or control of a public carrier.

Insurance under this Extension is excess of the property owner's insurance, which is primary, whether the owner can collect on it or not. Our payment for loss of or damage to personal property of others and personal effects will only

be for the account of the owner of the property.

- (2) We will pay under this Extension to replace and restore the lost information, when the loss or damage exceeds \$500 and \$50,000 is the most we will pay at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

- (2) We will not pay for any loss or damage that occurs:
- (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

j. Installed Locks

You may extend the insurance provided by this Coverage Form to apply to the repair, replacement or recalibration of professionally installed interior or exterior door locks if keys are stolen during a covered theft, burglary or robbery loss. The most we will pay under this Extension is \$10,000. No deductible applies to this Extension.

k. Information Reward

We will pay for information which leads to a conviction for arson, theft, or vandalism in connection with a fire or explosion, theft or

vandalism, or any combination of these causes of loss. The most we will pay under this Extension regardless of the number of persons involved in providing this information is the lesser of:

(1) \$15,000; or

(2) The amount of loss or damage paid to you as a result of the fire, explosion, theft, vandalism, or any combination of these causes of loss in which the information leading to a conviction was provided.

No deductible applies to this Extension.

l. Dwelling Personal Property

You may extend the insurance that applies to any dwelling occupied by not more than four families and described in the Declarations Page to apply to personal property in that dwelling that is owned by you for use by an employee.

The most we will pay for loss or damage to property in the dwelling under this Extension is \$2,500.

m. Maintenance Equipment

If our payment for direct physical loss or damage to Covered Property exhausts the Limits of Insurance for Covered Property, we will pay an additional amount for loss or damage to personal property owned by you that is used to maintain or service the building or structure on your described premises.

This is an additional amount of insurance and the most we will pay for loss or damage under this Extension is \$10,000 in any one occurrence.

n. Automated External Defibrillator (AED)

If our payment for direct physical loss or damage to Covered Property exhausts the Limits of Insurance for Covered Property, we will pay an additional amount for

loss or damage to automated external defibrillators.

This is an additional amount of insurance and the most we will pay for loss or damage under this Extension is \$5,000 in any one occurrence.

o. Installation Property

You may extend the insurance that applies to your Covered Property to apply to "installation property" while at a location where you are performing installation or fabrication of property that will be utilized in your business operations.

This Extension does not apply to:

- (1) Damage to the building in which "installation property" is being installed or fabricated;
- (2) Missing "installation property" where the only evidence of the loss or damage is a shortage disclosed on taking inventory or other instances where there is not physical evidence to show what happened to the property; or
- (3) Trees, shrubs, or plants that are to be planted at the location where you are performing installation or fabrication.

We will pay under this Extension when the loss or damage exceeds \$500 and \$5,000 in any one occurrence is the most we will pay for the part of the loss or damage that exceeds \$500.

p. Accounts Receivable

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) All amounts due from your customers that you are unable to collect;
- (2) Interest charges on any loan required to offset amounts you are unable to collect pending our payment of these amounts;

- (3) Collection expenses in excess of your normal collection expenses that are made necessary by the loss or damage; and
- (4) Other reasonable expenses that you incur to re-establish your records of accounts receivable;

that result from a Covered Cause of Loss to your records of accounts receivable.

We cover your records of accounts receivable while within the interior of the described premises or while in transit between described premises. If your records of accounts receivable are in imminent danger of loss or damage from a Covered Cause of Loss at your described premises, we will also cover such records while away from your described premises at a safe place or while in transit between your described premises and the safe place.

We will not pay for any loss or damage resulting from any of the following:

- (1) Alteration, falsification, concealment or destruction of records of accounts receivable done to conceal the wrongful giving, taking, or withholding of money, securities or other property.

This exclusion applies only to the extent of the wrongful giving, taking or withholding;

- (2) Bookkeeping, accounting or billing errors or omissions;
- (3) Electronic or magnetic injury, disturbance or erasure of electronic records of accounts receivable; or
- (4) Loss or damage that requires any audit of records or any inventory computation to prove its factual existence.

The most we will pay for loss or damage under this Extension is \$50,000 in any one occurrence. If you cannot accurately establish the amount of accounts receivable

outstanding at the time of loss or damage, the following method will be used:

- (1) Determine the total of the average monthly amounts of accounts receivable for the 12 months immediately proceeding the month in which the loss or damage occurs; and
- (2) Adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.

The following will be deducted from the total amount of accounts receivable, however that amount is established:

- (1) The amount of the accounts for which there is no loss or damage;
- (2) The amount of the accounts that you are able to re-establish or collect;
- (3) An amount to allow for probable bad debts that you are normally unable to collect; and
- (4) All unearned interest and services charges.

q. Loss Data Preparation Expenses

You may extend the insurance provided by this Coverage Form to apply to the necessary expenses that you incur at our request to prepare loss data, for purposes of assisting us in the determination of the amount of loss. This includes the cost of appraisals, taking inventories, and the preparation of other documentation required to show the extent of loss.

We will not pay for any expenses billed by or payable to insurance adjusters or attorneys or any costs as described in Paragraph 2. Appraisal of **E. Loss Conditions**. The most we will pay under this Extension in any one occurrence is \$5,000. No deductible applies to this Extension.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in the Declarations.

C. LIMITS OF INSURANCE

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean Up and Removal;
3. Ordinance or Law coverage for the increased cost to repair or reconstruct property and the amount actually spent to demolish and clear the site of the undamaged parts of the property;
4. Indirect Loss -- Blanket Insurance;
5. Electronic Data;
6. Leasehold Interest and Cancelled Lease Moving Expenses;
7. Fine Arts;
8. Fire Extinguisher & Automatic Fire Suppression System Recharge; and
9. Utility Service -- Time Element.

Payments under the following Additional Coverages will not increase the applicable Limit of Insurance.

1. Preservation of Property;
2. Damage to Buildings from Theft, Burglary or Robbery;
3. Sewer, Drain or Sump Backup or Overflow;
4. Ordinance or Law Coverage for the actual loss in value resulting from the

required demolition of the undamaged parts of the same property;

5. Refrigerated Products Loss;
6. Earthquake Sprinkler Leakage; and
7. Utility Service -- Direct Damage.

D. DEDUCTIBLE

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Additional Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example No. 1:

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance -- Bldg. 1:	\$ 60,000
Limit of Insurance -- Bldg. 2:	\$ 80,000
Loss to Bldg. 1:	\$ 60,100
Loss to Bldg. 2:	\$ 90,000

The amount of loss to Bldg. 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Bldg. 1:

\$60,100	
- 250	
\$59,850	Loss Payable -- Bldg. 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable

for Bldg. 2. Loss payable for Bldg. 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable: \$59,850 + \$80,000 = \$139,850

Example No. 2:

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example No. 1.

Loss to Bldg. 1: \$ 70,000
(exceeds Limit of Insurance plus Deductible)

Loss to Bldg. 2: \$ 90,000
(exceeds Limit of Insurance plus Deductible)

Loss Payable -- Bldg. 1: \$ 60,000
(Limit of Insurance)

Loss Payable -- Bldg. 2: \$ 80,000
(Limit of Insurance)

Total amount of loss payable: \$ 140,000

E. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

With respect to any form which is applicable to this Coverage Part and is subject to the provisions of this Coverage Form, a reference in such form to:

Actual Cash Value Condition;
Loss Condition, Actual Cash Value;
"Actual cash value" in the Valuation Loss Condition; or
Valuation Condition providing "actual cash value";

shall be construed as a reference to Optional Coverage, Actual Cash Value in this Coverage Form, except as provided in g. of 7. Valuation.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss,

either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:

- (1) Pay the value of lost or damaged property;
- (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;
- (3) Take all or any part of the property at an agreed or appraised value; or
- (4) Repair, rebuild or replace the property with other property of

like kind and quality, subject to
b. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all the terms of this Coverage Part and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in

the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer of Rights of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

- (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b) When this policy is issued to the owner or general

lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or
 - (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.
- (3) Dwellings maintained for occupancy by a "minister" or staff member, whether paid or not, will not be considered vacant at any time.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for loss or damage caused by any of the following even if they are Covered Causes of Loss:
 - (a) Vandalism;
 - (b) Sprinkler leakage, unless you have protected the system against freezing;
 - (c) Building glass breakage;
 - (d) Water damage;
 - (e) Theft; or
 - (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At replacement cost (without deduction for depreciation), except as provided in g., h., i. and j. below.
- b. This condition does not apply to:
 - (1) Contents of a residence;
 - (2) "Fine arts"; or
 - (3) "Stock," unless the Including "Stock" option is shown in the Declarations.

The value of covered property in (1), (2) and (3) above will be determined according to the "actual cash value" of such property at the time of loss or damage.

- c. You may make a claim for loss or damage covered by this insurance on an "actual cash value" basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an "actual cash value" basis, you may still make a claim for the additional coverage that replacement cost coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

With respect to tenant's improvements and betterments, the following also apply:

 - (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenant's improvements and betterments will be determined as a proportion of your original cost, as set forth

in the Valuation Condition j. of this Coverage Form; and

- (4) We will not pay for loss or damage to tenant's improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace, on the same premises, the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property, except as provided in the Additional Coverages.
- g. When a form, which is applicable to this Coverage Part and is subject to the provisions of this Coverage Form, indicates it replaces subparagraphs a. and b., or the Actual Cash Value part, of the Valuation condition, such form shall be construed as replacing subparagraphs a., b., c., d., e. and f. of this condition, except when Optional Coverage, Actual Cash Value in this Coverage Form applies.

h. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

i. Glass at the cost of replacement with safety glazing material if required by law.

j. Tenant's Improvements and Betterments at:

- (1) "Actual cash value" of the lost or damaged property if you make repairs promptly.
- (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

F. ADDITIONAL CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example No. 1 (Underinsurance):

When:

The value of the property is: \$250,000

The Coinsurance percentage for it is: 80%

The Limit of Insurance for it is: \$100,000

The Deductible is: \$250

The amount of loss is: \$40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example No. 2 (Adequate Insurance):

When:

The value of the property is: \$250,000

The Coinsurance percentage for it is: 80%

The Limit of Insurance for it is: \$200,000

The Deductible is: \$250

The amount of loss is: \$40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this Example is adequate and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example No. 3:

When:

The value of the property is:
Bldg. at Location No. 1: \$75,000
Bldg. at Location No. 2: \$100,000

Personal Property at
Location No. 2: $\$75,000$
\$250,000

The Coinsurance percentage for it is: 90%

The Limit of Insurance for
Buildings and Personal
Property at Locations:

No. 1 and No. 2 is: \$180,000
The Deductible is: \$1,000

The amount of loss is:
Bldg. at Location No. 2: \$30,000

Personal Property at
Location No. 2: $\$20,000$
\$50,000

Step (1): $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): \$50,000 x .80 = \$40,000

- f. Property that has been transferred to a person or to a place outside the

described premises on the basis of unauthorized instructions.

- 2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a. Animals, and then only if they are killed or their destruction is made necessary.
 - b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:
 - (1) Glass; or
 - (2) Containers of property held for sale.
 - c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

 - (1) If the property is located on or within 1,000 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or
 - (2) To Business Income Coverage or to Extra Expense Coverage.
 - d. Walks.
- 3. The special limit shown for each category, a. through e., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are:
 - a. \$2,500 for furs, fur garments and garments trimmed with fur.
 - b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

- c. \$2,500 for patterns, dyes, molds and forms.
- d. \$1,000 for stamps, tickets, including lottery tickets held for sale, and letters of credit.
- e. \$1,000 for money and securities. Loss or damage by theft includes the cost of stop payment orders for checks or drafts drawn by persons on their own accounts for payment of money to you as charitable contributions. The limit for this category, e., does not apply to the cost of stop payment orders.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This Limitation, C.3., does not apply to Business Income Coverage or to Extra Expense Coverage.

- 4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:
 - a. Results in discharge of any substance from an automatic fire protection system; or
 - b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. ADDITIONAL COVERAGE -- COLLAPSE

The coverage provided under this Additional Coverage -- Collapse applies only to an abrupt collapse as described and limited in D.1. through D. 7.

- 1. For the purpose of this Additional Coverage -- Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended business purpose.
- 2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part

of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (1) A cause of loss listed in 2.a. or 2.b.;
 - (2) One or more of the "specified causes of loss";
 - (3) Breakage of building glass;
 - (4) Weight of people or personal property; or
 - (5) Weight of rain that collects on a roof.

- 3. This **Additional Coverage -- Collapse** does **not** apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
- b. Awnings, gutters and downspouts;
- c. Yard fixtures;
- d. Outdoor swimming pools;
- e. Fences;
- f. Piers, wharves and docks;
- g. Beach or diving platforms or appurtenances;
- h. Retaining walls; and
- i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in 2.a. through 2.d., we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- a. The collapse of personal property was caused by a Cause of Loss listed in 2.a. through 2.d. ;
- b. The personal property which collapses is inside a building; and
- c. The property which collapses is not of a kind listed in 4. above, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph 5. does not apply to personal property if marring and/or scratching is the only

damage to that personal property caused by the collapse.

- 6. This Additional Coverage -- Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage -- Collapse will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage -- Collapse as described and limited in D.1. through D.7.

E. ADDITIONAL COVERAGE -- LIMITED COVERAGE FOR "FUNGUS", WET ROT, DRY ROT AND BACTERIA

- 1. The coverage described in E.2. and E.6. only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
 - a. A "specified cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
- 2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property

is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss Form or under the Additional Coverage -- Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage form.

- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. ADDITIONAL COVERAGE EXTENSIONS

1. Property In Transit

See Coverage Extension, Property Off-premises or Property in Transit in the Building And Personal Property Coverage Form.

2. Water Damage, Other Liquids, Powder or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is

This Coverage Extension **F.3.**, does not increase the Limit of Insurance.

CAUSES OF LOSS -- SPECIAL FORM

- A.** The following is added as Additional Coverage to the Causes of Loss -- Basic Form, Broad Form or Special Form.

Additional Coverage -- Equipment Breakdown

The term Covered Cause of Loss includes the Additional Coverage Equipment Breakdown as described and limited below.

1. We will pay for direct physical damage to Covered Property that is the direct result of an "accident." As used in this Additional Coverage, "accident" means a fortuitous event that causes direct physical damage to "covered equipment." The event must be one of the following:
 - a. Mechanical breakdown, including rupture or bursting caused by centrifugal force;
 - b. Artificially generated electrical, magnetic or electromagnetic energy, including electric arcing, that damages, disturbs, disrupts or otherwise interferes with any electrical or electronic wire, device, appliance, system or network;
 - c. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;
 - d. Loss or damage to steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment; or
 - e. Loss or damage to hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment.

2. The following coverages also apply to the direct result of an "accident." These coverages do not provide additional amounts of insurance.

a. Expediting Expenses

With respect to your damaged Covered Property, we will pay, the reasonable extra cost to:

- (1) make temporary repairs; and
- (2) expedite permanent repairs or permanent replacement.

The most we will pay for loss or expense under this coverage is \$50,000.

b. Hazardous Substances

We will pay for the additional cost to repair or replace Covered Property because of contamination by a "hazardous substance." This includes the additional expenses to clean up or dispose of such property.

This does not include contamination of "perishable goods" by refrigerant, including but not limited to ammonia, which is addressed in **2.c.(1)(b)** below. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.

The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$50,000.

c. Spoilage

(1) We will pay:

- (a)** for physical damage to "perishable goods" due to spoilage;
- (b)** for physical damage to "perishable goods" due to contamination from the release of refrigerant, including but not limited to ammonia;
- (c)** any necessary expenses you incur to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.

- (2)** If you are unable to replace the "perishable goods" before its anticipated sale, the amount of our payment will be determined on the basis of the sales price of the "perishable goods" at the time of the "accident," less discounts and expenses you otherwise would have had. Otherwise our payment will be determined in accordance with the Valuation condition.

The most we will pay for loss, damage or expense under this coverage is \$100,000.

d. Data Restoration

We will pay for your reasonable and necessary cost to research, replace and restore lost "data."

The most we will pay for loss, damage or expense under this coverage, including actual loss of Business Income you sustain and necessary Extra Expense you incur, if shown as covered, is \$50,000.

e. Service Interruption

- (1)** Any insurance provided for Business Income, Extra Expense or Spoilage is extended to apply to your loss, damage or expense caused by the interruption of

utility services. The interruption must result from an "accident" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.

- (2)** We will not pay for any loss of Business Income you sustain that results from the interruption of utility services during the first 24 hours following the "accident." However, if the "period of restoration" begins more than 24 hours after the time of the direct physical damage for Business Income, then that time period will apply instead of the 24 hours provided for in this paragraph.

- (3)** The most we will pay in any "one accident" for loss, damage or expense under this coverage is the applicable limit for Business Income, Extra Expense or Spoilage.

f. Business Income and Extra Expense

Any insurance provided under this coverage part for Business Income or Extra Expense is extended to the coverage provided by this endorsement. The most we will pay for loss or expense under this coverage is the applicable limit for Business Income and Extra Expense.

B. The Building and Personal Property Coverage Form is modified as follows.

1. The definitions stated above also apply to section **B.** of this endorsement.

2. CONDITIONS

The following conditions are in addition to the Conditions in the Building and Personal Property Coverage Form, the Commercial Property Conditions and the Common Policy Conditions.

a. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" to that "covered equipment." This can be done by mailing or delivering a written notice of suspension to:

- (1) your last known address; or
- (2) the address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment." If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

c. Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident," we will pay your additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, we will not pay more than 125% of what the cost would have been to replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which Actual Cash Value applies.

The most we will pay for loss, damage or expense under this endorsement arising from any "one accident" is the applicable Limit of Insurance in the Declarations. Coverage provided under this endorsement does not provide an additional amount of insurance.

The insurance under this policy, or any rider or endorsement attached thereto, as to the interest only of the Lender, its successors and assigns, shall not be invalidated nor suspended:

- (a) by any error, omission, or change respecting the ownership, description, possession, or location of the subject of the insurance or the interest therein, or the title thereto;
- (b) by the commencement of foreclosure proceedings or the giving of notice of sale of any of the property covered by this policy by virtue of any mortgage or trust deed;
- (c) by any breach of warranty, act, omission, neglect, or non-compliance with any of the provisions of this policy, including any and all riders now or hereafter attached thereto, by the **named insured**, the borrower, mortgagor, trustor, vendee, owner, tenant, warehouseman, custodian, occupant, or by the agents of either or any of them or by the happening of any event permitted by them or either of them, or their agents, or which they failed to prevent, whether occurring before or after the attachment of this endorsement, or whether before or after a loss, which under the provisions of the policy of insurance or of any rider or endorsement attached thereto would invalidate or suspend the insurance as to the **named insured**, excluding herefrom, however, any acts or omissions of the Lender while exercising active control and management of the property.

In the event of failure of the **insured** to pay any premium or additional premium which shall be or become due under the terms of this policy or on

account of any change in occupancy or increase in hazard not permitted by this policy, this Company agrees to give written notice to the Lender of such nonpayment of premium after sixty (60) days from and within one hundred and twenty (120) days after due date of such premium and it is a condition of the continuance of the rights of the Lender hereunder that the Lender when so notified in writing by this Company of the failure of the **insured** to pay such premium shall pay or cause to be paid the premium due within ten (10) days following receipt of the Company's demand in writing therefor. If the Lender shall decline to pay said premium or additional premium, the rights of the Lender under this Lender's Loss Payable Endorsement shall not be terminated before ten (10) days after receipt of said written notice by the Lender.

Whenever this Company shall pay to the Lender any sum for loss or damage under this policy and shall claim that as to the **insured** no liability therefor exists, this Company, at its option, may pay to the Lender the whole principal sum and interest and other indebtedness due or to become due from the **insured**, whether secured or unsecured (with refund of all interest not accrued), and this Company, to the extent of such payment, shall thereupon receive a full assignment and transfer, without recourse, of the debt and all rights and securities held as collateral thereto.

If there be any other insurance upon the within described property, this Company shall be liable under this policy as to the Lender for the proportion of such loss or damage that the sum hereby insured bears to the entire insurance of similar character on said property under policies held by, payable to and expressly consented to by the Lender. Any Contribution Clause included in any Fallen Building Clause Waiver or any Extended Coverage Endorsement attached to this contract of insurance is hereby nullified, and also any Contribution Clause in any other endorsement or rider attached to this contract of insurance is hereby nullified except for Contribution Clauses for the compliance with which the **insured** has received reduction in the rate charged or has

received extension for the coverage to include hazards other than fire and compliance with such Contribution Clause is made a part of the consideration for insuring such other hazards. The Lender upon the payment to it of the full amount of its claim, will subrogate this Company (pro rata with all other insurers contributing to said payment) to all of the Lender's rights of contribution under said other insurance.

This Company reserves the right to cancel this policy at any time, as provided by its terms, but in such case this policy shall continue in force for the benefit of the Lender for ten (10) days after written notice of such cancellation is received by the Lender and then cease.

This policy shall remain in full force and effect as to the interest of the Lender for a period of ten (10) days after its expiration unless an acceptable policy in renewal thereof with loss thereunder payable to the Lender in accordance with the terms of this Lender's Loss Payable Endorsement, shall have been issued by some insurance company and accepted by the Lender.

Should legal title to and beneficial ownership of any of the property covered under this policy become vested in the Lender or its agents, insurance under this policy shall continue for the term thereof for the benefit of the Lender but, in such event, any privileges granted by this Lender's Loss Payable Endorsement which are not also granted the **insured** under the terms and conditions of this policy and/or under other riders or endorsements attached thereto shall not apply to the insurance hereunder as respects such property.

All notices herein provided to be given by the Company to the Lender in connection with this policy and this Lender's Loss Payable Endorsement shall be mailed to or delivered to the Lender at its office or branch described on the first page of the policy.

For purposes of Coverage VR, Section II -- Who Is An Insured of the Commercial General Liability Coverage Form is incorporated by reference.

**SECTION III -- LIMITS OF INSURANCE --
COVERAGE VR**

The following Limits of Insurance provisions are unique to Coverage VR. For purposes of Coverage VR, none of Section III -- Limits of Insurance of the Commercial General Liability Coverage Form is incorporated by reference and shall not be relied upon in determining the limits of available coverage.

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay for the sum of all Covered Expenses that arise out of a "violent incident", regardless of the number of:
 - a. Insureds;
 - b. Claims made;
 - c. Persons or organizations making claims;
 - d. Perpetrators; or
 - e. Policy periods over which the "violent incident" occurs. If the "violent incident" occurs over more than one policy period, the Limits of Insurance applicable when the "violent incident" first began will apply.
2. The Violent Incident Aggregate Limit shown in the Declarations is the most we will pay for the sum of all Covered Expenses arising out of all "violent incidents".
3. Subject to Paragraph 2. above, the Organizational Expenses Aggregate Limit shown in the Declarations is the most we will pay for the sum of all Covered Expenses described in Paragraphs (2)(a) through (2)(c) of 1.b. Covered Expenses (Section I) and arising out of a "violent incident".
4. Subject to Paragraph 2. above, the Individual Expenses Aggregate Limit shown in the Declarations is the most we will pay for the sum of all Individual Expenses described in Paragraphs (1)(a) and (1)(b) of 1.b. Covered Expenses (Section I) and arising out of a "violent incident".
5. Covered Expenses will be paid in the order that they are received by us until the applicable per person limit, Individual Expenses Aggregate, Organizational Expenses Aggregate or Violent Incident Aggregate is reached, at which time payment will cease.

6. If two or more policies or Coverages issued by us apply to the same insured and these policies or Coverages also apply to the same claim or "suit", the maximum amount we will pay as "damages" under all of the policies or Coverages will not exceed the highest applicable Limit of Insurance that applies to any one of the policies or Coverages.

This Paragraph 6. does not apply to any insurance that was purchased specifically to apply in excess of the applicable Limits of Insurance shown in the Declarations.

SECTION IV -- CONDITIONS -- COVERAGE VR

The following conditions are unique to Coverage VR. The remainder of Section IV -- Conditions of the Commercial General Liability Coverage Form is incorporated by reference. The conditions and duties provided herein will supersede those contained in Paragraphs 2. and 4. of Section IV -- Conditions of the Commercial General Liability Coverage Form.

1. Duties In The Event Of A Violent Incident

- a. You must notify us as soon as practicable of any "violent incident" which may result in payment of Covered Expenses. To the extent possible, notice should include:
 - (1) How, when and where the "violent incident" took place;
 - (2) The names and addresses of any "victims", "witnesses" or other persons of interest; and
 - (3) The nature and location of any injury or damage arising out of the "violent incident".
- b. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

2. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverage VR, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis:

(a) That is medical payments coverage; or

(b) That provides "violent incident" or similar coverage.

(2) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in absence of Coverage **VR**; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(3) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the applicable Limits of Insurance shown in the Declarations.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

SECTION V -- DEFINITIONS -- COVERAGE VR

The following words or phrases have a specific and unique meaning to Coverage **VR**. The remainder of Section **V -- Definitions** of the Commercial General Liability Coverage Form is incorporated by reference. Certain definitions contained within Section **V -- Definitions** of the Commercial General Liability Coverage Form may be reproduced for ease of reference in this document. The definitions provided herein will supersede the corresponding definitions contained within Section **V** of the Commercial General Liability Coverage Form.

Where set forth in quotation marks in this document, the following words or phrases, whether used in the singular or plural, shall have the meanings specified below.

Any and all related acts associated with Paragraphs **a.** and **b.** immediately above will be considered one "violent incident" regardless of the time in which the events occur or the location of events. A "violent incident" with multiple events shall be deemed to occur at the time of the first related "violent incident".

However, "violent incident" does not mean:

- a. The written or verbal threat of carrying out an event described in Paragraphs **a.** and **b.** immediately above; or

Our total obligation for all "damages" covered by Coverage **SL** is the Sexual Misconduct Liability Aggregate Limit shown in the Declarations regardless of the number of:

- a. Insureds;
 - b. Claims made or "suits" brought;
 - c. Persons or organizations making claims or bringing "suits";
 - d. Policies involved; or
 - e. "Sexual misconduct occurrences".
2. The Sexual Misconduct Medical Expense Limit shown in the Declarations is the most we will pay for all medical and counseling expenses because of "injury" arising out of a "sexual misconduct occurrence", regardless of:
 - a. The number of claims, claimants, persons acted upon, or injured persons;
 - b. The number of incidents or locations involved;

 - d. When "damages" are sustained.

we will have no further duty to defend any claims or "suits", whether pending at that time or started afterwards.

4. If two or more policies or Coverages issued by us apply to the same insured and these policies or Coverages also apply to the same claim or "suit", the maximum amount we will pay as "damages" under all of the policies or Coverages will not exceed the highest applicable Limit of Insurance that applies to any one of the policies or Coverages.

This condition does not apply to any insurance that was purchased specifically to apply in excess of the applicable Limits of Insurance shown in the Declarations.

SECTION IV -- CONDITIONS -- COVERAGE SL

The following conditions are unique to Coverage **SL**. The remainder of Section IV -- Conditions of the Commercial General Liability Coverage Form is incorporated by reference. The conditions and duties provided herein will supersede those contained in Paragraphs 2. and 4. of Section IV -- Conditions of the Commercial General Liability Coverage Form.

1. Duties In The Event Of An Occurrence, Claim Or Suit

Consistent with the Insuring Agreement contained within Coverage **SL**:

a. Occurrence Or Incident Reporting

You must see to it that we are notified, by the means and methods determined by us, within thirty (30) days of the date you become aware of any "sexual misconduct occurrence", incident or circumstance which may reasonably be expected to result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "sexual misconduct occurrence", incident or circumstance took place; and
- (2) The names and addresses of any injured persons and witnesses.

b. Claim Reporting

If a claim or "suit" is received by any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Promptly notify us.

You must see to it that we receive prompt written notice of the claim or "suit".

c. Other Duties

You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement or defense of the "sexual misconduct occurrence", claim or "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to you because of "injury" or "damages" to which this insurance may also apply.

d. No Voluntary Payments

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

2. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverage **SL**, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when stated to apply in excess of, or contingent upon the absence of other insurance and **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

When this insurance is excess, we will have no duty to defend any claim or "suit" that any other insurer has a duty to

defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that was not bought specifically to apply in excess of the applicable Limits of Liability shown in the Declarations.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or until none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
